

## Advance information

Site gate	opens	closes
Friday 7th	9am	9pm
Saturday 8th	10am	9pm
Sunday 9th	10am	6pm

### Day ticket

Your colour-coded wristband entitles you to stay on through the night if you like. You can camp here till 11.30am the next morning (midday on Monday 10th). Please park in the Day car park (see plan below).

If you want to stay on after your time's expired, please go to the ticket office to pay the supplement and get a new wristband.

### Weekend camping

You're welcome to park at your camping spot, as long as you don't move your vehicle again until Monday morning. We don't want squashed children.

If you'll want to use your vehicle before Monday morning, use the Day car park.

### A longer stay?

If you want to start your stay earlier than Friday 7th or stay on longer than Monday 10th, that's fine; £10 per night per tent/van, payable on the spot. To book, email [caroline@thelabyrinth.org.uk](mailto:caroline@thelabyrinth.org.uk) or phone 01503-262671.

### Food and drink on site – to buy (really good)

food onsite, for breakfast, lunch, dinner, have another look at [www.bluesandroots.co.uk](http://www.bluesandroots.co.uk).

You're welcome to bring your own as well. If you want to bring a barbecue set that's fine as long as it's contained, and on legs.

**Local food shop** – nearest is a campsite shop a mile away back along our (fairly level) narrow lane, open 8.30–11 and 5–7; otherwise a (licensed) village shop 1.5 miles, and a superb farm shop 2.5 miles, usually open till 6pm.

### Disabled?

Welcome! The site is reasonably level, and we'll have a disabled toilet.

## This is a No Glass festival

We don't want glass splinters to slash people's feet now and in the years to come, so:

- In the **festival site**: no glass at all (except spectacles). You can buy one of our (very reasonably priced) cups with your drink, and reuse it for years if you like.
- In the **campsite**: no drinking glasses. Glass bottles are okay if you're careful – but please *take them away with you*.

## Children and young adults

Under-18s are welcome with parents/ guardians. Under-12s must be supervised by their parents/guardians at all times, even when doing children's workshops and activities.

**Your dogs** are welcome so long as you:

- a) keep each dog on a **lead** attached to a human or a nearby fixture, and
- b) pick up **dog dirt** and dispose of it safely.

Last year there was some difficulty as some dogs ran loose and we couldn't identify their owners. So this year each dog will get a collar tag on entry, to bear the owner's name and mobile number.

## Toilets

There will be long-drop toilets, pissoires and Andyloos. Small children? Please bring your own child seat.

## Showers, washing facilities

There are some mains water standpipes. We're thinking about showers – but no promises.

## Rubbish!

We'll have a recycling scheme. Please be ready to use it – that'll slow the landfill site filling up and a new one being found.

## We do love to be beside the seaside ...

We're by the sea – but getting there is a steep 20-minute walk. Don't let your kids think this is a beach weekend.
